

## Scientific Committee

Santo Dellegrottaglie, Acerra, (NA)  
Angela Milazzo, Milano  
Patrizia Pedrotti, Milano  
Alberto Roghi, Milano

## General Information Informazioni Generali

Congress Venue - Sede del Convegno  
Atahotel Executive Centro Congressi,  
Viale Don Luigi Sturzo, 45  
20154 Milano  
Tel. 02 62941 - Fax 02 62942729

Organizing Secretariat - Segreteria Organizzativa  
I.P. Idea Promotion Piazzale Lugano, 9 - 20158 MILANO  
tel.: + 39 02 48029418; fax: + 39 02 36538589  
cell. 3317851707  
ip@ideapromotion.com - [www.ideapromotion.com](http://www.ideapromotion.com)

## Languages - Lingue

The official languages are Italian and English.  
No simultaneous translation is foreseen.  
Le lingue ufficiali sono Italiano e Inglese.  
Non è prevista la traduzione simultanea.

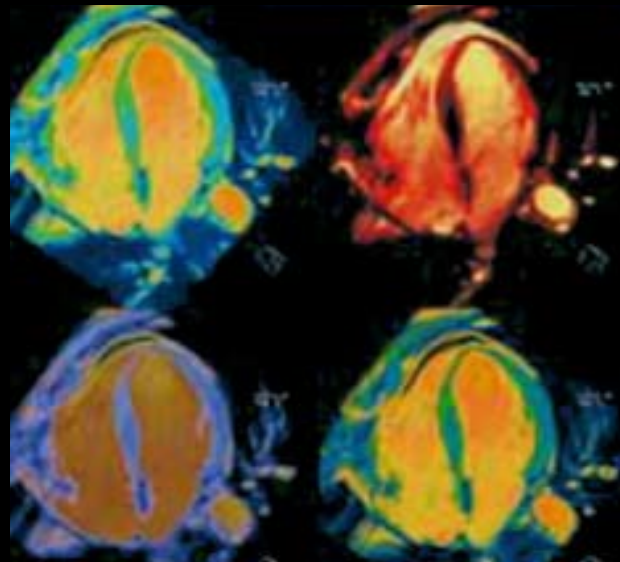

## Realizzazione

I.P. Idea Promotion - Milano

## Progettazione grafica e stampa

Era Comunicazione s.r.l. - Castelseprio (VA)

# 3RD MEETING CARDIORISONANZA 2012

**Atahotel Executive**  
**Viale Don Luigi Sturzo, 45 - Milan, Italy**  
**November 22-23, 2012**

## Director

**Alberto Roghi**

Azienda ospedaliera  
**Ospedale Niguarda Ca Granda**

Sistema Sanitario  
**Regione Lombardia**

## Registration fee - Iscrizioni

### Physician - Medico:

By October 15 (entro il 15 Ottobre) € 250,00 + IVA/VAT  
After October 15 (dopo il 15 Ottobre) € 300,00 + IVA/VAT

**Technician - Tecnico** € 180,00 + IVA/VAT

**Trainee - Specializzando** € 180,00 + IVA/VAT

**Light Buffet (nr. 2)** € 50,00 + IVA/VAT

The registration form can be downloaded from  
the website [www.ideapromotion.com](http://www.ideapromotion.com)

Il modulo di iscrizione è scaricabile  
dal sito [www.ideapromotion.com](http://www.ideapromotion.com)

## CME - Crediti Formativi

The program of "Cardiorisonanza 2012" will be submitted  
for Italian Continuing Medical Education.  
Saranno richiesti i crediti formativi ECM.

## CME Accreditation - Accreditamento ECM Meridiana Events & Education

Via G. Volpe, 126 - Loc. Ospedaletto - 56121 PISA  
Provider ECM: 1006.

## Hotel Accomodation - Sistemazione Alberghiera

Participants interested in hotel Accomodation are kindly  
requested to contact the Organizing Secretariat within  
october 5, 2012.

È possibile effettuare la prenotazione alberghiera  
contattando direttamente la Segreteria Organizzativa entro  
il 5 ottobre 2012.

## November 22, 2012 First day

08.00-09.00 Registration

09.00-09.30 Welcome address

### 09.30-10.45 Session I: Acute coronary syndromes

09.30-09.50 Traditional markers of adverse prognosis in patients with acute coronary syndrome

09.50-10.10 CMR-derived endpoints in managing patients with acute coronary syndromes

10.10-10.30 Acute coronary syndrome with normal coronaries vs. stress (takotsubo) cardiomyopathy: why thinking of CMR for differentiation?

10.30-10.45 Discussion

10.45-11.30 **Coffee Break**

### 11.30-12.00 Lecture I: Incremental value of CMR in characterizing patients with acute coronary syndrome

### 12.00-13.15 Session II: Detection of myocardial ischemia: when things are difficult (women, left bundle branch block, obese)

12.00-12.20 Echocardiography is the way to go

12.20-12.40 Myocardial perfusion scintigraphy is the test to prefer

12.40-13.00 CMR has the edge on

13.00-13.15 Discussion

13.15-14.30 **Lunch**

### 14.30-15.50 Session III: Role of CMR in valvular and vascular diseases

14.30-14.50 Role of CMR in Aortic and valvular disease

14.30-14.50 Role of CMR in right-sided diseases: pulmonary regurgitation, Ebstein disease, tricuspid regurgitation

14.40-15.10 Mitral valve disease and the 3D imaging approach

15.10-15.30 Role of CMR in the virtual imaging of mitral valve: the VPH2 project

15.30-15.50 Discussion

### 15.50-16.40 Lecture V: Cardiac magnetic resonance in acute myocarditis

16.40-17.10 **Coffee Break**

### 07.10-18.30 Session IV: Role of CMR in Pericardial disease

17.10-17.30 Clinical evaluation and questions for the imager

17.30-17.50 Role of TC and PET in the evaluation of pericardial diseases

17.50-18.10 Role of RMC in the evaluation of pericardial diseases

18.10-18.30 The surgeon point of view

## November 23, 2012 Second day

### 09.00-10.15 Session V: Incremental value of CMR as gatekeeper to common causes of sudden cardiac death in the young

09.00-09.20 CMR and hypertrophic cardiomyopathy

09.20-09.40 CMR anomalous origin of coronary arteries and vascular and valvular mesenchymal diseases

09.40-10.00 CMR and acute and chronic myocarditis

10.00-10.20 CMR and arrhythmogenic cardiomyopathies

### 10.15-10.45 Lecture III: CMR in adults with congenital heart disease

10.45-11.30 **Coffee Break**

### 11.30-12.45 Session VII: Cardiovascular imaging in pulmonary hypertension

11.30-11.50 What the clinician requests to the imager

11.50-12.10 Strengths and limitations of echocardiography

12.10-12.30 Is there a role for CMR?

12.30-12.45 Discussion

### 12.45-13.15 Lecture IV: Iron overload cardiomyopathy: not only a question for hematologists

13.15-14.30 **Lunch**

### 14.30-15.50 Session VIII: Contemporary diagnostic strategies in patients with cardiomyopathies

14.30-14.50 Role of CMR as gatekeeper to genotyping in cardiomyopathies

14.50-15.10 Imaging phenotype versus genotype in the cardiomyopathy realm

15.10-15.30 Imaging and genotyping contributions in cardiomyopathies: are true histo-pathology equivalents?

15.30-15.50 Discussion

### 15.50-16.20 Lecture V: CMR and Myocardial fibrosis: a new non-invasive prognostic tool of cardiovascular diseases

16.20-16.50 **Coffee Break**

### 16.50-18.30 SESSION IX: Cardiac electrophysiology in the CMR era

16.50-17.10 Myocardial scar/fibrosis recognized by CMR as a predictor of ventricular arrhythmias

17.10-17.30 Role of CMR in atrial fibrillation: from pathophysiology to ablation

17.30-17.50 Imaging modalities for identification of responders to cardiac resynchronization therapy

17.50-18.00 CMR and "MR-Conditional" Pacemakers: the times are changing

18.00 -18.30 Discussion

18.30 **Closing Remarks**
